EUROL FORTENCE 5W-30

Fully synthetic fuel economy long-life motor oil for Ford and Jaguar

Eurol® Fortence 5W-30 is a fully synthetic fuel economy motor oil for gasoline, LPG and diesel engines in most Ford passenger cars and light duty commercial vehicles from 2012, as well some Jaguar models.

Eurol® Fortence 5W-30 can also be used for all previous models for which Ford WSS-M2C-912A or 913A/B/C/D is prescribed.

Eurol® Fortence 5W-30 establishes an highly stable lubricant film within a short amount of time at the cold start, which offers an extremely high oxidation stability and wear protection. Eurol® Fortence 5W-30 allows long drain intervals (up to 30.000 km) for the latest models of Ford and Jaguar.

Eurol® Fortence 5W-30 offers extra fuel saving properties and the product can be mixed with both synthetic and mineral motor oils.

This oil can be applied in all cars where ACEA A5/B5 (10) and A1/B1 (10) is prescribed.

PERFORMANCE

API SL
ACEA A5/B5 (2012), A1/B1 (2012)
Ford WSS-M2C-913D (approved)
STJLR 03.5003
Renault RN0700

TYPICAL PROPERTIES

		5W-30
Density 20C	Kg/L	0.848
Viscosity 100C	cSt	9.6
Viscosity 40C	cSt	53.3
Viscosity -30C	cP	<6600
Viscosity Index		166
Flash point COC	C	207
Pour point	C	-48
Sulphated ash	Wt%	1.20
HTHS	cP	<3,5
TBN	mg KOH/g	10.1
